<sup>1</sup>All usage is under certain conditions in order to guarantee the sustainable treatment of nature and its resources. The conditions are part of the written user contract, which must be concluded with ÖBf in all cases. Please note that events require timely approval by authorities. The daily tariffs comprise the license for one photo or film/cast crew of a maximum of 10 persons. For larger crews a separate agreement is applicable. Austrian National Forests reserves the right to raise objections regarding the type of usage, if this violates conventional morals. In national parks special rules are applicable. Bad weather is not a reason for recourse. WILD.MEDIA Nature Guidelines for sustainable site usage apply. This tariff list is valid from January 2013.

<sup>2</sup>Transit fees apply if film sites or photo locations only can be reached by crossing ÖBf sites.

<sup>3</sup>Attendance by ÖBf staff if required according to contract.

<sup>4</sup>Late bookers: registration of use less 48 hours (working days) prior to the start of usage or any set up required.
